

THE END OF FALSE PROPHECY IS HERE!!

“when the prophet speaks in the name of Jehovah and the word does not come true, that is the word that Jehovah did not speak. With presumptuousness the prophet spoke it. You must not get frightened at him.”-Deuteronomy 18:22

What is False Prophecy?

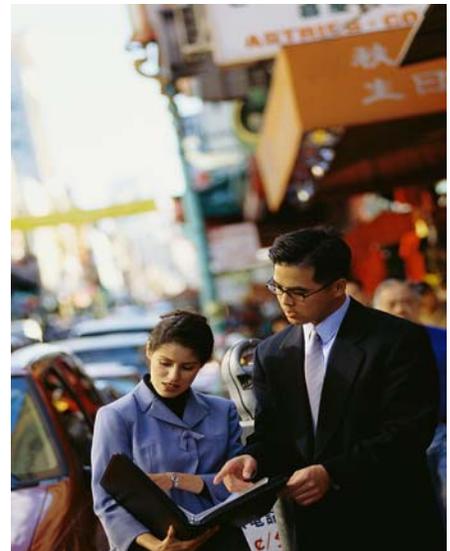

God Himself describes it and the Punishment for such actions in Deuteronomy 18:20:

“However, the prophet who presumes to speak in my name a word that I have not commanded him to speak or who speaks in the name of other gods, that prophet must die.”—New World Translation

Common Tactics of those Spreading False Prophecy:

They are well-dressed and normally stop you on the street or visit you without an appointment at your home.

During their initial visit they usually question you about the problems of the world such as crime, terrorism, warfare, and Sexual immorality. Or they leave you with a periodical or tract proclaiming the end of the world or the end of what they perceive as false religion.

They view their own religious leaders as the official spokesperson for God and all other religions as false whose followers are doomed to be executed by God in the near future. Meaning that to be saved from the coming destruction they describe one must join their group.

Common Teachings of those Groups Spreading False Prophecy:

The End of the World is near. In many cases these groups have set dates for the end of the world.

One such group predicted the end of the world in 1975.

Or they believe that Jesus has invisibly returned in some way and that they are the only ones enlightened enough to see it and are now chosen by Christ to speak for Him. (See Matthew 24:23-26)

They usually deny the Deity of Christ. In fact, one such group denies that Jesus is God even though their own Bible says that Jesus has all the fullness of the divine quality of God!

“because it is in him [Christ] that all the fullness of the divine quality dwells bodily.” Colossians 2:9 — New World Translation
